# Equality, Diversity and Inclusion Policy

## 1 Introduction

- 1.1 The London Acorn School ('the School') is committed to being inclusive. We see our diverse population of both pupils and staff as one of the School's greatest strengths. In order to ensure everyone can thrive and meet their full potential, it is essential that inclusion and equality of opportunity be at the core of all the School's activities.
- 1.2 This policy applies equally to current and prospective members of the School community, including parents. Staff should refer to the Equal Opportunities Policy.
- 1.3 This policy is made available on the School website and can be made available on request. All school policies can be made available in large print.
- 1.4 The School is committed to a zero tolerance policy in relation to less favourable treatment on the grounds of any protected characteristic under *the protected characteristics – Equality Act 2010* ([www.legislation.gov.uk/ukpga/2010/15/section/4](http://www.legislation.gov.uk/ukpga/2010/15/section/4)).
- 1.5 The School is committed to promoting and developing inclusion & equality of opportunity in all its functions and will seek to do this by:
  - (a) Communicating its commitment to equality and diversity to all members of its community
  - (b) Ensuring all staff and pupils are aware of the aims of this policy
  - (c) Briefing for staff and pupils on the Equal Opportunities Policy
  
  - (d) Developing monitoring, evaluation and review mechanisms of school policies and procedures and decision-making
  - (e) Demonstrating our zero tolerance attitude towards discrimination by taking all allegations seriously

## 2 Responsibility

- 2.1 The Governors and Senior Leadership Team have responsibility for ensuring that the School operates within the legal framework for equality and for implementing the policy throughout the School.
- 2.2 Each member of the School community is responsible for being alert to and challenging discrimination; embracing diversity; respecting different faiths and beliefs; and upholding equality of opportunity for all.

## 3 The Legal Framework

- 3.1 Discrimination can take the following forms. Including:
  - (a) Direct Discrimination – This occurs where a person is treated less favourably than others because of their (or a family member's) actual or perceived protected characteristic.

- (b) Indirect Discrimination – This occurs by applying a provision, criterion or practice, which disadvantages people on the grounds of a protected characteristic and which cannot be justified as a proportionate means of achieving a legitimate aim.
- (c) Victimisation – This occurs where an individual has exercised their rights under equality legislation (or has indicated that they intend to do so) and is treated less favourably as a direct result. It applies equally to a person who is supporting (or indicates that they intend to support) another person who is exercising their rights under the legislation.
- (d) Harassment – This is defined as unwanted conduct related to a relevant protected characteristic which has the purpose OR effect of violating an individual’s dignity or creating a hostile, humiliating or offensive environment for that individual.
- (e) Disability Discrimination – This includes direct and indirect discrimination, any unjustified less favourable treatment because of the effects of a disability, and failure to make reasonable adjustments to alleviate disadvantages caused by a disability.

## 4 Aims and Values

4.1 The aims of this policy and the School’s ethos as a whole are to:

- (a) Eliminate unlawful discrimination on the grounds of any of the protected characteristics

- (k) Embed inclusion through all our activities

4.2 To achieve these aims we will:

- (a) Involve, where reasonably practicable, all members of the School community in the development, review, evaluation, and impact assessment of all relevant improvement plans, policies and procedures

- (d) Help to overcome any potential barriers to learning by providing for pupils’ diverse needs and learning styles including any learning support needs and/or disabilities a pupil may have

- (e) Ensure the wider school curriculum promotes and celebrates equality and diversity

4.3 Our school has a broad, balanced and appropriate curriculum which provides equal opportunity for all pupils, irrespective of difference, to maximise their potential and thrive.

4.4 At the School we aim to promote inclusion and tackle any form of discrimination and actively promote harmonious relations in all areas of school life and with our key partners such as parents and other schools. We seek to remove any barriers to access, participation, progression, attainment and achievement. We take seriously our contribution towards community cohesion.

## 5 Admissions

5.1 The School treats every application for admission in a fair and equal way in accordance with this policy and the School's Admissions Policy. The School accepts applications from, and admits, pupils irrespective of any protected characteristic.

5.2 Parents must inform the School when completing the registration form of any special circumstances affecting their child (such as learning support needs) which may affect the child's ability to fully participate in the education provided by the School. The School will not offer a place to a child if, after reasonable adjustments have been considered, the School cannot adequately cater for and/or meet their needs.

## 6 Educational Services

6.1 The School affords all pupils access to educational provision including all benefits, services and facilities irrespective of any protected characteristic subject to the School's obligations under the Equality Act 2010 and considerations of safety and welfare.

6.2 The School will not discriminate against a pupil on the grounds of any protected characteristic by excluding them or subjecting them to any other detriment.

6.3 The School will seek to educate pupils in a multicultural, anti-racist environment using the curriculum, assemblies, PSHE programme, education trips and external speakers to promote understanding and appreciation of other faiths, races and cultures.

6.4 The School recognises that discrimination may be, for example, direct, indirect or arising from disability whether or not it was intentional. Harassment and bullying in all its forms is unacceptable and will be dealt with in accordance with the School's Preventing and Tackling Bullying and Promoting Good Behaviour Policies.

6.5 The School will:

- (a) Treat all members of the School community with respect and dignity and seek to provide a positive working and learning environment free from discrimination

- (h) Offer all pupils access to all areas of the curriculum, including being able to participate in a full range of extra-curricular activities
- (i) Ensure that all staff are aware of their responsibilities promote equality of opportunity and are given appropriate training and support
- (j) Work with parents and external agencies where appropriate to combat and prevent discrimination in School
- (k) Ensure that it reviews, monitors and evaluates the effectiveness of inclusive practices.

## 7 Religious Belief

- 7.1 The School is inclusive and welcomes and respects the rights and freedoms of individuals from other religions and faiths (or no religion or faith).

### Children who are lesbian, gay, bi, or trans (LGBT)

The fact that a child or a young person may be LGBT is not in itself an inherent risk factor for harm. However, children who are LGBT can be targeted by other children. In some cases, a child who is perceived by other children to be LGBT (whether they are or not) can be just as vulnerable as children who identify as LGBT.

Risks can be compounded where children who are LGBT lack a trusted adult with whom they can be open. It is therefore vital that staff endeavour to reduce the additional barriers faced and provide a safe space for them to speak out or share their concerns with members of staff.

LGBT inclusion is part of the statutory Relationships Education, Relationship and Sex Education and Health Education curriculum and there is a range of support available to help schools counter homophobic, biphobic and transphobic bullying and abuse.

## 8 Reasonable Adjustments

- 8.1 The School has an ongoing duty to make reasonable adjustments for pupils with a disability to ensure they do not suffer a substantial disadvantage in comparison to non-disabled pupils. The School will inform and consult with parents about what reasonable adjustments, if any, the School are able to make for their disabled child. The School will carefully consider any proposals for auxiliary aids and services in light of a pupil's disability and, for example, the resources available to the School. The School has a duty to make reasonable adjustments (case by case considerations) for staff or pupils who request to be known as gender neutral, gender fluid, are undergoing gender reassignment or are transgender.
- 8.2 The School is not legally required to make alterations to the School's physical environment as part of the reasonable adjustments duty. However, the School monitors and reviews the physical environment to consider what reasonable and proportionate steps can be taken to alleviate any substantial disadvantage caused to disabled pupils. The School has an Accessibility Plan in place, a copy of which can be made available upon request.
