

Area of Learning	Learning experiences
Personal, Social and Emotional Development	Children are encouraged in their 'serious business' of play to take turns, include others and share with each other. Sharing songs together
Communication, Language and Literacy	Sharing stories The Old Woman and the little Mouse The Wood cutter and Kind Winter The Carrot that went around The sweet Porridge Puppet Show The Spring hare
Mathematical Development	Sorting ingredients of baking and for soup making Weighing and measuring ingredients Estimating amounts Counting during play
Knowledge and Understanding of the World	Celebrating Candlemass. Children will prepare for the festival of Candlemass Role play when participating in puppet shows Celebrating Shrove Tuesday ( and eating pancakes!)
Physical Development	Climbing trees Skipping Running and playing games in Morden Hall Park Enjoying nature by building dens, mud kitchens and having adventures! Activities to develop fine motor skills and gross motor skills
Creative development	Drawing Wet felting a mouse Sewing gnomes Weaving Finger knitting Building dens Blow drying eggs Making spring baskets
Supporting at home	Building strong routines for your child, encouraging free play or crafts. Encourage your child to help you and take time to be involved in nature and the environment. Do find alternatives way to engage with your child that are 'tech free' . Please do ask the team if you would like to support an ideas around this!
Trips and events planned for this half term	Enjoying daily walks to the Kinde tree and exploring new areas of the park for our older children.
